

SOCIAL DISTANCING.

Please respect yours and others personal space by keeping a safe distance where possible. We would appreciate it if you respected the government guidelines put in place to keep you and our staff safe otherwise you will be asked to leave.

We will be asking customer to where a mask at all times when entering the pub, there will be no one way system however a mask must be worn at all times when walking around the premises.

Once in you will be asked to track and trace and also sanitise. You must not go to the bar area someone will great you at the door where you will then be seated. Your drinks and food order will be taken from your table by a member of the team. You may remove your mask once seated.

Indoor gatherings should be in groups of up to two households. Outdoor gatherings can be a maximum of 6 people from any number of households however, if your gathering is above this then all should be from no more than two households.

SPACES BETWEEN TABLES.

We have taken a lot of time in changing the layout of our pub and have removed a lot of furniture to accommodate the new guidelines to follow the spacing standards.

CLEANING.

There will be regular cleaning taking place throughout our business. All our team will be washing and sanitising their hands every 20minutes and sanitising key touch points every 30minutes. The table and chairs will be sanitised after every use and the pub will be cleaned to its highest possible standards.

MENUS.

Menus will be laminated ones which will be sanitised after every use.

BAR SERVICE.

No one is to be served at the bar it is table service only.

TOILETS.

Toilets will be monitored so numbers visiting them will be restricted. They will be cleaned regularly, and it will be based on a one in one out system.

CHILDREN AND DOGS.

We ask that all children and dogs are not to wander. The play equipment will be temporarily out of use until further notice. Children must always be accompanied by an adult, they will only be allowed inside the pub if dining, they may go outside but must remain seated. Dogs must always remain on leads and will not be allowed inside the restaurant.
